

# The 11th Iran International Renewable Energy, Lighting & Energy Saving Exhibition

No	Company Name	Field of Activity	Hall No.	Booth No.	Country
1	Systra Solar	Solar panels, Solar Integration Projects and The Construction of Large Solar Power Plants	35	107	China
2	ariosunshade	Engineering, Procurement, Construction, Installation, Finance. Renewable Energies. Solar Energy. Photovoltaics. Solar Thermal. Condensing Boiler. Energy Audit.	35	131	Iran
3	Arvin Sun Desert	Solar power equipment importer EPC solar power plants under the license of Trunsun Solar	35	177	Iran
4	ati niroo pak gostar	engineering, procurement and construction in solar plants	35	170	Iran
5	Azarbaijan Power Engineering Consultants	Study, research, design and supervision and inspection in : Electric power and energy including Fossil Fuel and Renewable energy ( Wind, Solar, Biomass and Geothermal ), Transmission Lines, HV/LV Substations, Distribution network, Power Plants, Metro and Urban Utilities.	35	109	Iran
6	Bejin profill	light structure for buildings and solar power	35	119	Iran
7	Electronic Afzar Azma	Deign and Manufacturer of Advanced Digital and Smart Electricity Meters	35	134	Iran
8	ELECTROSIM HEDAYAT	producer of special cables solar cable for photovoltaic systems	35	152	Iran
9	Energy Management Association of Iran	Scientific, Educational, R&D	35	188	Iran
10	Fotrousi Research Center	design and development of electronic power equipment and related technologies	35	133	Iran
11	golnoor	Isfahan Province, Isfahan, Saadat Abad, Saadat Abad,, N Sheikh Sadogh St	35	164	Iran
12	Green Energy Development Company	Renewable Energy - Designing, Fabrication, and Erection of Floating Drum Turbine for Distributed Generation of Hydroelectricity	35	129	Iran
13	Green Planet Future Formers Co.	Solar equipment supplier - Consultancy & design and implementation of solar power plants	35*	154	Iran
14	Iran Association of Energy Service Companies (ESCOIRAN)	Energy Services, Energy Management, Energy Saving, Energy Optimization	35	188	Iran
15	Iran Electrical Industry Syndicate	<p>Iran Electrical Industry Syndicate (IEIS) a business membership organization founded in the year 2000, with over 536 active members active in various aspects of Electrical Industry including:</p> <ul style="list-style-type: none"> <li>• Manufacturing</li> <li>• Engineering, Design and Consultation</li> <li>• Contracting</li> <li>• Trading</li> </ul> <p>Our member companies employ some 80,000 and have a combined turnover of over USD 15 billion.</p> <p>IEIS members' capabilities are unmatched in the developing world with some 95% of all Iran's requirements being designed, engineered and manufactured locally including items such as gas and steam turbines, transmission towers, transformers, switchgear, high voltage cables and accessories, control and dispatching systems. ☐</p>	35	133	Iran
16	Iran Energy Association	Iran Energy Association	35	188	Iran

# The 11th Iran International Renewable Energy, Lighting & Energy Saving Exhibition

No	Company Name	Field of Activity	Hall No.	Booth No.	Country
17	IRAN RENEWABLE ENERGY ASSOCIATION	Representative of the Renewable Private Sector in Iran	35	183	Iran
18	Iran Renewable Energy Association	Iran Renewable Energy Association	35	188	Iran
19	Iran Transfo	Iran Transfo Group consists of 14 subsidiary companies including power transformers, shunt reactors and series, special transformer transformers, traction transformers, single-phase oily distribution transformers, three-phase oil-cooled transformer transformers, hermetic oil transformers, Transformers with On-load voltage conversion switch, Special transformers for solar power plants, Special transformers for power plants, Rectifiers, Transformers, Converter transformers, Transformers for roads	35	144	Iran
20	IRANIAN SOLAR ENERGY SCIENTIFIC SOCIETY	Scientific-Research-Consultation	35	188	Iran
21	Iranian Wind Energy Association	Development of wind energy industry	35	188	Iran
22	Jahan Gostar Radan Shargh	EPC	35	141	Iran
23	Kominzad Yadak	Renewable Energy, Diesel & Gas Generators. sales and after sales service of power solution in the fields of Diesel & Gas generators and Renewable energies filed.	35	123	Iran
24	lidopars	solar	35	133	Iran
25	Mahan Energy Co.	Engineering, Procurement and Construction of solar power plants	35	160	Iran
26	man nik tarahan soroosh	MANUFACTURING SOLAR SETS - PERFORMING SOLAR PROJECT - SOLAR DESIGN SERVICE	35	184.1	Iran
27	mashad wire &cable co	product wire and cable	35	139	Iran
28	Meyar Tosee Niroom	Distributed Generation, Renewable Energies, Distribution Networks, Maintenance & Operation of power plants	35	133	Iran
29	mpnsolar	Energy Efficiency	35	168	Iran
30	Namad Niroom	Energy Solutions	35	102	Iran
31	namavarar tosee sanat parsian	engineering, procurement, construction, operation and maintenance of roof-top solar plants and major PV plants	35	178	Iran
32	niroosazehparand	Design, Engineering and manufacturing solar and wind system, supplying the parts and maintenance the equipments of electrical engineering project, control and instrumentation, distribution and high distribution	Outdoor	200	Iran
33	NoAvaran Arman Pouya co	supply of equipment for electrical ,oil ,gas, petrochemical ,steel and cement industries, execution of industrial projects and consulting ,training and research in electrical , retailing and Energy trading	35	133	Iran
34	noursun energy aria	Designing and implementation of consulting and supplying equipment in the field of construction and maintenance of solar power plant-energy audit and carrying out preliminary technical and economic studies	35	158	Iran

# The 11th Iran International Renewable Energy, Lighting & Energy Saving Exhibition

No	Company Name	Field of Activity	Hall No.	Booth No.	Country
35	Pars baspar Tajhiz	Consulting, design, construction, installation and operation of prefabricated systems. Human, hospital and industrial wastewater treatment (IDEA)	35	108	Iran
36	Parsian Tarash Sanat (PTS)	Engineering, Production and execution of earthing system - Lightning Protection - Surge Protection – Exothermic Welding	35	133	Iran
37	Parto Aftab Kavir	Production of the mounting system	35	135	Iran
38	Parto Energy	Engineering, Procurement and Construction (EPC) of Solar Farms and Power Plants. Study New Technologies and Defining Local Sustainability.	35	148	Iran
39	Parto Sanat	Manufacturer of “Frequency converter” and Inverter	35	133	Iran
40	Partosystem	Wind resource assessment	35	106	Iran
41	pima omran niroo engineering	consultation ,design ,administration of data center and data center infrastructure and it. Department of marketing ,specialized sales such as solar panel of taban with capacity of 150mw per years.sourena cctv and active equipment and atmospheric water soda	35	182	Iran
42	qeshmvoltage	Distributor of A&D Products training center of industrial automation , Mechatronic and Green energy industrial and process automation system integrator (EPC) manufacturer of panels and accessories Repair , Service Science Engineering and support Manufacturer of Industrial Training Robot ,Training sets for Industrial Automation ,Mechatronic and Green energy	35	134	Iran
43	Rahdaran Imen Naghshe Jahan	Solar Mounting Structures (Racks)	35	125	Iran
44	Renewable Energy and Energy Efficiency Organization (SATBA)	Renewable Energy and Energy Efficiency	35	192	Iran
45	Sabz Energy	Solar EPC	35	111	Iran
46	Sahel Ettehad (SEMCOPLAST)	production plastic panton for solar module	35	137	Iran
47	Saipa Heavy Dies Manufacturing Corporation	Manufacturing all sorts of cast iron single step & progressive dies , Fabrication of CNC milling machine. Also designing and producing a wide range of special tools , Producing part with hydraulic & mechanical presses in wide range up to G1 dies , Designing , manufacturing all types of panel gauge , checking fixtures & jigs.	35	166	Iran
48	Sama Niroo Alborz (SAMANIR)	Designing and Installing Solar Photovoltaic Power Plants Using SAMANIR Solar Tracker	35	112	Iran
49	SAMAN MOHIT AZMA	Engineering, procurement & Construction of Solar Power Plant	35	128	Iran
50	SANAT RAYAN PARS	ups - battery - agm - gel	35	127	Iran
51	Sayan Owj Pars	commercial	35	100	Iran
52	sepehr alborz cable	wire & cable	35	146	Iran

# The 11th Iran International Renewable Energy, Lighting & Energy Saving Exhibition

No	Company Name	Field of Activity	Hall No.	Booth No.	Country
53	SerajEnergy	Renewable Energy adviser	35	114	Iran
54	Sheedsun	Solar System EPC service	35	150	Iran
55	Solar Gostar Alborz	Photo voltaic systems	35	156	Iran
56	solar sanat firouzeh	Solar Panel Production	35	110	Iran
57	solkarak	Renewable energy systems Solar water heater	35	124	Iran
58	taban energy development co.	1) The first and largest fully-automatic PV module production line 2) EPC contractor of PV power plant projects	35	182	Iran
59	Tabesh Tablo Shargh	Producer of medium voltage and low voltage power boards	35	133	Iran
60	tam energy sepanta	Renewable Energy specially Solar, Power System Studies, DG and CHP, Energy Audit	35	179	Iran
61	Tavan Pajooohan Fanavar Pasargad	Design and manufacturer of solar inverters in various models and powers	35	180	Iran
